**Saved.**

Chug-chug! Br-r-r! Br-r-r! Honk-honk. Gillingill-gillingill! The pedestrian paused at the intersection of two busy cross streets. He looked about. An automobile was rushing at him from one direction. A motorcycle from another, and a truck was coming from behind, and a taxicab was speedily approaching. Zip zip! Zug-zug! He looked up and saw directly above him a runaway airship in rapid descent. There was but one chance. He was standing upon a manhole cover. Quickly seizing it, he lifted the lid and jumped into the hole just in time to be run over by a subway train.—Cleveland Plain Dealer.

**The Printer's Devil.**

The Mercury devil, Billie Bowen, was making up the forms. The paper was late and the boy got the galleys mixed. The first part of the obituary notice of a pious citizen had been dumped in the form and the next describing a recent fire. It read like this: "The pall-bearers lowered the body into the grave and it was consigned to the flames. There were few, if any regrets, for the old wreck has been an eyesore to the town for years. Of course there was individual loss, but that was fully covered by insurance." The widow thinks the editor wrote the obituary that way because the lamented partner of her joys owed him five years' subscription.—Carlsbad Mercury.

**Women's Woes.**

**Richmond Women Are Finding Relief at Last.**

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up" must attend to duties in spite of constantly aching backs, headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with aching pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Head of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. W. W. Humphrey, Danville St., Lancaster, Ky., says: "My experience with Doan's Kidney Pills leads me to believe that they live up to the claims made for them. I suffered a great deal from backache and at night could not sleep on this account. On several occasions my back became so painful and weak that I was unable to attend to my household duties. Being advised to give Doan's Kidney Pills a trial, I did so. They helped me from the start and I continued taking them long enough, I believe they would have effected a complete cure. I was compelled, however, to discontinue their use as a time but I am ever again using them and am certain that they will soon rid me entirely of kidney trouble."

For sale by all dealers. Price 25c. Foster-Milburn Company, Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. s-1m

**Hot Temperance Drink**  
The latest drink in prohibition territory Ginger cocktail. It is a drink intended to avoid trouble with the prohibitory law. It can be purchased anywhere at any time, and the chap who sells it never is in danger of prosecution and the fellow who buys it never will be brought into court as witness.

The drink is made of three parts of ordinary apple cider and one part famian ginger, and is really a palatable concoction. Cider always is good, and ginger, being chiefly alcoholic, gives the mixture a zest and flavor that old toppers say is about the finest ever.

Besides, the drink gets real action right away. Two good drinks will make a man feel real funny and cute three will cause him to rob his own trunk, and five are calculated to make him prefer bed of shacks in the corner of a vacant lot to a nice downy couch at home. If you want to throw rocks at your mother-in-law, but lack the nerve, just take some of this, and you'll turn the trick all right.

Farmers, mechanics, railroaders, laborers rely on Thomas' Electric Oil. Takes the sting out of cuts, burns or bruises at once. Pain cannot stay where it is used.

**Don't Swallow Drugs to Cure Catarrh.**

Hyomei is a germ killing vapor of air which when breathed either through the mouth or nose will kill catarrh germs and soothe and heal the inflamed and mutilated membrane.

Hy-me is such a powerful germ destroyer that it penetrates every fold and crevice of the membrane of the nose and throat. And it kills the catarrh germs because it gets where those health destroyers are.

Hyomei is pleasant to use; it is made from concentrated extract of pine and eucalyptus taken from trees in inland Australia where catarrh was never known.

Breath in this pleasant, healing yet germ killing air, you'll like to use Hyomei through a small hard rubber inhaler that comes with each outfit and relief will come quickly.

Hyomei is guaranteed by R. L. Middleton to cure catarrh or money back; it gives most wonderful relief to consumptives. A complete outfit which includes an inhaler, a bottle of Hyomei and simple instructions for use costs \$1. and extra bottle if afterward needed costs 50 cents. **THE SUCCESSFUL FARMER**  
KEEPS UP TO DATE  
On Farm Machines

The great advance in farming methods has kept pace with the improvement of farm machines. The most successful farmers have always been ready to consider new ideas and better machines. Farmers never have been more progressive than to-day. That is why the Admiral mower has so quickly established itself in their favor. They recognize the great value of its features, chief among which are: Powerful keen cutting apparatus, easy foot-lift, increased tractive power without corresponding increase in weight not forgetting the "floating frame," genuine underdraft, uniform lift, and all the other features that have made Walter A. Wood mowers famous wherever grass is grown. If you are going to buy a new mower this year, investigate the latest—The Admiral. It's a pleasure for us to show the Admiral to a progressive farmer. So don't hesitate to ask us at any time—the sooner the better.
